

**AMENDMENTS TO THE CLAIMS**

Please add claims 17-27 as shown in the following listing of claims, which will replace all prior versions and listings of claims in the application.

**Listing of claims:**

1 (previously presented). A method of treating basal cell carcinoma in a subject, the method comprising administering to the subject an amount of an IRM compound effective for treating basal cell carcinoma wherein the IRM compound is administered in a treatment cycle that comprises at least five consecutive days in which the IRM compound is administered and at least two days in which the IRM compound is not administered.

2. - 6. (canceled)

7 (original). The method of claim 1 wherein the method comprises at least two treatment cycles.

8 (original). The method of claim 7 wherein the method comprises at least six treatment cycles.

9 (original). The method of claim 1 wherein administering the IRM compound comprises applying one dose of the IRM compound per day.

10 (original). The method of claim 1 wherein administering the IRM compound comprises topically applying the IRM compound to a treatment area that includes a lesion.
